The Plan

A Philippines that few Indian Divers ever Explore

Puerto Galera, located in the Verde Island Passage is world-renowned for its high marine biodiversity, vibrant coral reefs and close proximity to the famous Verde Island, popularly known as the "centre of the centre" of marine biodiversity.

This trip will begin with a variety of dives off Puerto Galera in the Sabang Bay. Wreck Dives, Drift Dives, Wall Dives, Macro Dives, Night Dives the bay has it all. Dive sites will range from 7metres all the way to 30metres deep. After 4 days of diving here, we cap off the trip with a day trip to Verde Island for 3 spectacular dives, on Nitrox, that will leave you mind-blown.

Who Can Join

Trip Eligibility

- **Qualified** to **Dive to 30 metres** or more, and to use **Enriched Air Nitrox.**
- A **minimum of 15 logged dives** before the trip.
- Should have been on **at least one dive trip with NSA prior** to departure.

Not Quite There Yet?

Training on the Trip

- Divers can choose to do their Advance Open Water Diver / Deep Diving / Enriched Air Nitrox / Night & Limited Visibility speciality ratings on this trip. Some of the package dives will serve as training dives. Course Fee will be additional.
- It is however, **highly recommended** that courses be completed in advance. The dives are fantastic & you really don't want to be demonstrating skills to us instead of chilling with the turtles next door.

The Dive Group

Group Size, Dynamics, Dive Planning

The group size will be a minimum of 5 diver and a maximum of 8 divers. Arun Naik will be the trip leader and will curate your diving experience in collaboration with the dive professionals of Arkipelago Divers.

Every dive will be led by the professionals at Arkipelago Divers as the local experts. They will lead the dive plan & execution. Arun will be on each dive with the group, keeping tabs on safety, comfort and addressing any concerns both on land, on boat & underwater.

Divers will be paired as per dive experience levels, current skill levels & comfort with each other. Our aim on this trip is to take care of all the essentials so that you just have to turn up, tune in & enjoy your dives.

The Flow

An Itinerary, Designed with Purpose

Date	Plan
Wed 12 May	Arrive in Manila. Overnight in the city. Airport transfers can be requested separately.
Thu 13 May	Morning private van to Berberabe Port, followed by water taxi to Puerto Galera. Check in at Arkipelago. Two afternoon dives.
Fri 14 May	Two morning dives and one night dive. A third day dive can replace the night dive if you prefer, or you could do both.
Sat 15 May	Two morning dives and one night dive. A third day dive can replace the night dive if you prefer, or you could do both.
Sun 16 May	Two morning dives and one dive after lunch.
Mon 17 May	Verde Island Day trip. Three dives with Nitrox and a barbecue lunch. Return to Arkipelago.
Tue 18 May	Check out and transfer to Manila. Optional : Intramuros and Chinatown tour in the second half of the day.
Wed 19 May	Depart for India.

Our Endeavour is to stick to the plan, but local weather & sea conditions will always have final say. Sequence is subject to change.
