

NAIK SCUBA ACADEMY / COURSE & GROUP PRICING

CONTINUING EDUCATION

Learn more. Dive better.

Choose your destination first.

The following pages present the courses and group prices available through Neil Island, Pondicherry and Chennai. Specialties come first; Advanced Open Water offers a broader pathway for divers still deciding what to pursue.

HOW TO READ THIS GUIDE

PER DIVER • GST INCLUDED

Every amount is the price for one participant, not the combined group total.

GROUP OF 2 / GROUP OF 3

Your rate depends on how many divers train together. Larger groups have a lower per-person price.

TRAINING DIVES

Where a course has a shorter and extended format, the additional fun dives are identified separately.

DIGITAL LEARNING MATERIALS

Choosing rental SSI digital learning materials instead of the standard longer-term access reduces the listed fee by ₹2,000 for Advanced Open Water and Diver Stress & Rescue, or ₹1,000 for applicable specialties.

ONE-ON-ONE EXPERIENCES

Personalised one-on-one training follows a separate approach to course design and pricing. Please enquire for details.

WHAT THE PRICE COVERS

Certification, rental equipment including a dive computer, and our professional fees are included. Travel, accommodation and meals are not included.

02 / THE DESTINATIONS

NEIL ISLAND

Ocean-based continuing education • Andamans

01 / SPECIALTIES
